This matter comes before the Public Service Commission of South Carolina (the Commission) on the Request of South Carolina Pipeline Corporation ("SCPC" or the "Company") for an extension of time from May 1, 1996 until June 1, 1996, to file SCPC's Short Term Action Plan ("STAP"). The extension is requested due to several factors including personnel changes at SCPC, scheduling conflicts with SCPC's consultant, and delays in receiving necessary data from other parties.

The Commission has examined this matter and believes that the request of SCPC should be granted. The Company's Short Term Action Plan shall now be due on June 1, 1996.

This Order shall remain in full force and effect until further Order of the Commission.
